

# Railway Experience 2010

The Buckinghamshire Railway Centre is set in 27 acres in the village of Quanton in beautiful Aylesbury Vale. The Centre is a working steam museum and there is always something going on.

A full educational programme has been developed covering most of the curriculum. An exciting day's visit might include a guided tour, a train ride, a miniature train ride, a view of the Dining Coach from Queen Victoria's Royal Train, The Churchill Coach in which Winston

Churchill and Dwight D. Eisenhower met during the Second world War and much, much more.

Join us on our **Victorian Day on 8<sup>th</sup> and 9<sup>th</sup> June** and ride in a train pulled by a Victorian engine or our **Evacuees' Day on 16<sup>th</sup> June 2010** and relive the late 1930s/early 1940s. **Take part in the activities in our new Vestibule Education Coach. (Open March)** There is also our **Christmas Past** celebration on the 7<sup>th</sup> and 8<sup>th</sup> December.

Quality Badge awarded by

Worksheets that are adapted to the various age groups are available, or, for the very young a pictorial spotting sheet.

**History** Transport and Life in Victorian Times  
George and Robert Stephenson  
Isambard Kingdom Brunel
